Information

Please check our website http://www.fh-aachen.de/en/university/freshman/ regularly for updates.

Introduction

The Freshman Program offers the students who do not have previous knowledge of the German language the possibility of studying in German, English or both at one of our partner universities with guaranteed admission after successful completion of the Freshman year.

Requirements

- English: B1 with a mark of 1 or 90% *or* IELTS 4.5 *or* TOEFL iBT 53.
- Successful completion of high school (final school certificate is required)
- Freshman entrance test or Test AS

All applicants must take either the entrance exam or TestAS. See the website above for test dates and locations.

Partner Universities

There are 5 accredited universities associated with the Freshman program.

- FH Aachen (AC)
- Universität Duisburg-Essen (DuE)
- Hochschule Rhein-Waal (RW)
- FH Südwestfalen (SW)
- SRH Hochschule Hamm (HAM)*

Languages of the Fields of Study

Depending upon your chosen study focus, your language options in the Freshman year may be

- English/German
- English

See the next page for details.
