#### Agency name and email

I hereby give permission to give information about my application, admission and enrollment status to the above-named agency. I also agree to my data being transmitted to the Freshman Institute and the FH Aachen for application, admission and enrollment purposes.

#### Signature of applicant, date, place:

**Required of all applicants under the age of 18 at the time of application:** I agree as parent or legal guardian of the above-named applicant that he/she may conduct all legal business with the Freshman Institute and the FH Aachen (for example: application, enrollment, registration for exams, use of the university library, use of the internet, field trips, etc.).

#### Name and signature of parent, date, place:

All applicants must take an entrance exam or TestAS to be considered for the Freshman program. For more information see https://www.fh-aachen.de/en/university/freshman/entrance-exams/.

Required application documents (include translation into English or German)

- Copy of passport or ID card
- School transcripts for the last 2 years

Optional:

- Final school certificate
- University entrance exam results
- German and English language certificates

Applicants with TestAS only: Send completed application form, application documents and TestAS results to stone@fh-aachen.de by 1 July 2019.

V OF APPLIED SCIENCES

The Freshman Program offers the students who do not have previous knowledge of German the possibility of studying in German, English or both at one of our partner universities with guaranteed admission to one of the following programs after successful completion of the Freshman year.

# Requirements

- English: Recommended level B1 with a mark of 1 or 90% or IELTS 5.0 (certificate not required)
- Successful completion of high school (final school certificate is required)
- Freshman entrance test or Test AS
- All applicants must take either the entrance exam or TestAS. See our website for test dates and locations.

NIVERSITÄT

IED SCIENCES

Structural Engineering ٠

\* Students for the University of Duisburg-Essen must have a "B" average in mathematics over the last 3 years of school, which includes the last two years of high school as well as the Freshman year. Therefore, we cannot guarantee admission to the University of Duisburg-Essen after the Freshman year. If a student does not meet this goal, we will do our best to help him/her find an alternative.

#### HOCHSCHULE FUR LOGISTIK UND WIRTSCHAFT SRH Hochschule Hamm - SRH University Hamm\* SRH HAMM

Logistik - Logistics
