### Teaching Times, Modes and Locations

Course Duration: 23 Jun 2025 to 11 Jul 2025

Modes: Face-to-face

Location: Huajiachi Campus, Zhejiang University via face-to-face

### Academic Level

Postgraduate

### Credit Points:

The course is worth 6 units of credit point.

### Credit Hours

The number of credit hours of this course equals to the credits of a standard semester- long course.

### Contact Hours

The course contains a total of 53 contact hours, which consists of orientation, lectures, seminars, quiz, discussion, research, case study, small tests, assignments, on-site field trip(s), in-class and after-class activities, revision, self-study, and final exam. Students will receive an official transcript which is issued by Zhejiang University when completing this course.

### Enrolment Requirements

Eligibility requires enrollment in an overseas university as an undergraduate or postgraduate student, proficiency in English, and pre-approval from the student's home institution.

### Course Description:

This course provides a comprehensive exploration of financial reporting for complex business structures, covering corporate groups, joint arrangements, and entrepreneurial ventures. Students will develop skills in preparing consolidated financial reports, accounting for business combinations, non-controlling interests, and intra-group transactions, with emphasis on compliance with International Financial Reporting Standards. Key topics include equity accounting, foreign currency translation, segment and related party disclosures, and reporting on complex financial instruments. Additionally, students will gain insights into startup-specific accounting needs, including financial planning, cash flow management, and regulatory compliance, equipping them to tackle financial reporting challenges across various organizational contexts.

### Prerequisite:

Prior knowledge in fundamental accounting is required for taking this course.

### Learning Resources

- Arthur, N., et al. Accounting for Corporate Combinations and Associations. 8th ed., Pearson Education Australia, 2017.

### Learning Objectives

By the end of this course, you should be able to:

- Prepare consolidated financial statements for group entities.
- Evaluate and choose among alternative solutions to complex financial reporting issues for business groups.
- Communicate findings and analysis of accounting issues clearly and effectively.

### Course Delivery:

- Face-to-face Lecture mode includes lectures, seminars, quiz, discussion, research, case study, small tests, assignments, on-site field trip(s), in-class and after-class activities, revision, and final exam.

The following course will be taught in English. There will also be guest speakers and optional field trips available for students who would like to enhance their learning

experience. All courses and other sessions will be run during weekdays.

#### Academic Integrity

Students are expected to uphold the university's academic honesty principles which

are an integral part of the university's core values and principles. If a student fails to observe the acceptable standards of academic honesty, they could attract penalties and even disqualification from the course in more serious circumstances. Students are responsible for knowing and observing accepted principles of research, writing and any other task which they are required to complete.

Academic dishonesty or cheating includes acts of plagiarism, misrepresentation, fabrication, failure to reference materials used properly and forgery. These may include, but are not limited to: claiming the work of others as your own, deliberately applying false and inaccurate information, copying the work of others in part or whole, allowing others in the course to copy your work in part or whole, failing to appropriately acknowledge the work of other scholars/authors through acceptable referencing standards, purchasing papers or writing papers for other students and submitting the same paper twice for the same subject.

This Academic Integrity policy applies to all students of the Zhejiang University in all programs of study, including non-graduating students. It is to reinforce the University's commitment to maintain integrity and honesty in all academic activities of the University community.

### Policy

The foundation of good academic work is honesty. Maintaining academic integrity upholds the standards of the University. The responsibility for maintaining integrity in all the activities of the academic community lies with the students as well as the faculty and the University. Everyone in this community must work together to ensure that the values of truth, trust and justice are upheld.

Academic dishonesty affects the University's reputation and devalues the degrees offered. The University will impose serious penalties on students who are found to have violated this policy. The following penalties may be imposed:

- ✓ Expulsion
- ✓ Suspension
- ✓ Zero mark /fail grade
- ✓ Marking down
- ✓ Re-doing/re-submitting of assignments or reports, and
- ✓ Verbal or written warning.
